

Scavenger Hunt Rule Set and Code of Conduct

1. Participants are to be individuals and not in teams.
2. Each individual will attempt to find the canisters located across the University of Waterloo main campus.
3. Upon finding any canister, the individual must sign their name on a paper included in the canister. Also included in the canister will be the station number and a Red Cross-related question.
 - a. Participants are not to sign any names other than their own when they locate a canister.
 - b. Participants are to place the canister back in the same position it was found, and not remove it from the site.
 - c. Any evidence indicating participants have done otherwise will lead to disqualification from the event.
4. Participants are to create a record of each canister visited as well as the answer to question included in the canister.
5. At any time prior to the conclusion date of the event, a participant may send an email with their Full Name, the initials used to sign in at each canister, the station number of sites visited, and answer(s) to the question for each canister visited.
 - a. For each canister visited and question answered successfully, the participant will receive 1 playing card.
 - b. Participants will only be provided one card for each canister visited
 - c. A player will not be able to hold more than 5 cards simultaneously.
 - d. In the event that a player has visited more than 5 canisters, they will be given the option of discarding one or more of their current cards for a new card. The player will not be drawn new cards until they have committed to discarding their old card.
 - e. In the event that a player draws a card already held in their hand, the card will be discarded and a free-draw granted.
 - f. UWRCA will answer all requests/inquiries within 24 hours of receipt of the email. If a participant has not received a response within 24, they should post on our Facebook page and send a follow-up email to confirm receipt.
6. The locations of all canisters will be presented on the UWRCA website.
 - a. Locations will vary by difficulty based on the accuracy of the clue given.
7. Upon conclusion of the event, all canisters will be collected by UWRCA administrators and the submissions made by each participant will be verified.
 - a. The highest hand of each participant will be tabulated and a record of all participants' final hand will be posted on the UWRCA website.
8. Hands will be ranked based on standard poker rules.
 - a. For the purposes of this event, suits will have value: Spade > Heart > Club > Diamond.
 - b. In the event of a tie, the final winners will be determined based on random draw.
